Sponsorship will provide your organization with exposure and recognition before an audience of over 1200 Christians in the GTA. This year, the 4th Annual GO Conference will feature dynamic speakers over the two-day Conference and will be attended by over 1200 Christians and more than 50 church representatives.

We believe that the available sponsorship opportunities offer a significant return on the investment that you make in the conference. As a sponsor, in addition to the profile you receive on the conference website, through conference publications, you have the opportunity to participate in the conference and directly access and interact with the community.
