The Vision behind GO Conference:

The G.O. Conference is designed to equip the church community to build bridges with the people that God has placed in their life, especially those from other religious backgrounds. This Conference will do three things for you; DISCOVER the belief systems of those who have not yet embraced the gospel of Jesus (including various religions, atheists, secularists etc.), LEARN to start conversations about Jesus, SHARE the gospel effectively with your friends and family.

Our theme this year will be: **'Igniting Passion for National Transformation'**.

Sponsorship:

We need successful, recognized businesses & organizations that will step-up to the challenge of sponsoring this great event that promotes faith, fellowship and community. Your brand will be viewed and recognized by thousands of people, including over 2500 Christians and more than 60 church leaders in the GTA. Join this movement that focuses on developing passionate, empowered and mission conscious Church communities through active faith building events such as the GO Conference.

When you support the GO Conference you are not only supporting a great event and making your brand visible to hundreds of attendees from across the GTA, you are also supporting the mobilization of Christians to see our nation transformed. In a culture and society that is moving farther away from the gospel and biblical values each day, we need to raise an army of men, women and youth who will effectively share the message of Jesus Christ.

Please review the different sponsorship levels below.
